Tier Movements

At the beginning of each month a review will occur of all members. If you are eligible to move up into a new tier, you will be promoted by the first day of the month. Every **January & July** a review will take place of those members who have not earned enough tiering points to stay in their current tier. If you have not retained your current tier level, you will then be moved into a new tier in January & July.

To find out what tier you are in simply insert your membership card into the console of any gaming machine, ask when purchasing at the point of sale, swipe at the members kiosk, or alternatively speak to one of our friendly staff.

One (1) OUR Rewards Point is equal to one (1) cent.

For Example:
2000 points = \$20.00
1050 points = \$10.50

Earning Tiering Points

Earning these points will move you up the tier levels.

Every **\$5** in turnover on any Electronic Gaming Machine = **1 POINT**

Every **\$1** spent on food & beverage = **1 POINT**

Earning Bonus Points

Bonus points don't count towards tiering levels, they are bonus points for you to enjoy!
